## BENT

He slid his cock down her bare chest, leaving a trail of precum highlighting her pointed nipple and down her narrow ribcage, until he had lowered himself between her legs. His cockhead pressed into her thigh as he pulled her knees up around his sides and in front of his chest. He pushed them to her chest, bending her body and rolling her up, pointing her wet slit upward.

He rose above her, looking down at her opened ass and pussy, each equally inviting, and pointed his cock down, dipping the head into first one, then the other hole. He teased and tested her tight fuckholes, opening each with a slow deliberation until she cried out to be fucked.

With a bend of his knees, he lowered his full length into her fuckable asshole, watching her tight pucker open around his rod. Looking into her parted pussy, he could see how his cock filled it from her back hole, making her bulge just inside the opening. He pushed his fingers inside to spread her wider, giving himself a better view of the vulgar display.

His fingers in her cunt and his cock in her ass were more than enough to send her over the edge. She howled as an orgasm crashed in on her. He banged her with his fingers and cock until her clenching body was tenderized by his cum and soaked in its own juices.

He pulled his dripping fingers from her pussy and held her thighs now, ready to get his own. Her folded body bounced with each jarring thrust as he plowed into her like a man on a mission. She was loose and compliant—a fuck-doll to use and cum into. She watched him fuck her with a glazed expression as he pummeled her ass. It was as if she'd been fucked mindlessly and could only stare as he used her like a toy. He pressed his balls into her cheeks as if he would stuff

**DEEP THOUGHTS AS HE  
PLUNGES INSIDE HIS  
LATEST CONQUEST!**

**J**ames had been getting so much pussy lately his head was almost spinning. Shalina was only the latest of his conquests and it hadn't taken her long to melt into his arms. It was great, but it almost didn't seem fair. Other guys didn't get as much pussy as he did. See, although James had a gruff exterior, he had a compassionate heart and cared about his fellow man.

He just had to remind himself that everybody has a gift in this life. Some men had a gift with numbers and became good accountants—some had an unerring ability to pull and please the ladies. Or some, like him, had gifts with their dicks and their brains and could become successful seducers and

accountants. That was just the nature of life.

Still, James decided he had to give back to the world and not just hog all the raunchy riches for himself. So, even as he was fucking Shalina— cramming his cock back and forth in her tight pussy— he was waiting for the perfect moment to bring up the topic of a gang bang. He wanted to bring in some of his less lucky buddies so that they could enjoy Shalina's sensational body, her hot kisses and her ability to suck dick and pull loads. How could she refuse such a sexy offer?

Then James remembered he still hadn't fucked Shalina's ass. Maybe she would get upset and deny him that if he brought up the gang bang first? He didn't know where she stood on the issue. So, in the end, James had to vote for self-preservation and keep his mouth shut. It was one thing to share his good fortune; but it was another to possibly mess up his perfect score of fucking every girl he'd met in the last two years in the ass! ♠

## SUNNY LEONE TO DIRECT TWO NEW DVD SERIES

In 2008, Sunny Leone's massive success as a XXX mega-star helped her to launch her own company, SunLust Pictures. Now she is ready to take the next huge step in her career and go behind the camera to direct her own movies!

SunLust Pictures is ready to launch a pair of new lines directed by Sunny herself. In her "Pussy Eating Club" series, Sunny will be joining some of the hottest women (and men) in the industry for spectacular action that will combine the stunning glamour Sunny is famous for with the passionate, hardcore sex she craves. Sunny will also direct "Sunny Loves HD Porn," a line dedicated to bringing beautiful women together for hot sex in stunning HD.

"I am excited about these new lines," Sunny states. "I have wanted to direct for a long time, but wanted to wait until I could put my own stamp on it. Everyone knows that I love women, so "Pussy Eating Club" is right up my alley. We have found some super hot women and men who share my love for going down. I get to pick the women I want to work with and they have to do whatever I say. It's good to be the director!"

Both "Sunny Loves HD Porn" and "Pussy Eating Club" will be released through SunLust Pictures and Vivid Entertainment.

## NEW MOBILE SITE: PVSTRIPS.COM PUT A STRIP CLUB IN YOUR POCKET

In its latest mobile entertainment-related trick, adult entertainment studio, Pink Visual, has scaled down the experience of going to a topless bar down to pocket size.

In assembling its new mobile site PVStrips.com ([www.pvstrips.com](http://www.pvstrips.com)), Pink Visual took striptease footage featuring the studio's most popular performers and "enhanced" it with real-life touches—including voiceovers done in quintessential strip club DJ-style.

Pink Visual Director, Matt Morningwood, said that producing the striptease videos was a pleasant departure from shooting hardcore sex scenes, both for him and for the talent involved.

"Don't get me wrong: I love filming porn, but this footage was a lot of fun to shoot, and since the dance moves employed were all entirely up to the individual performers, aspects of the girls' personalities come through that don't get an opportunity to shine in the hardcore shoots," Morningwood said. "A lot of models also tour as feature dancers, but many of our girls have never done any stripping before, or haven't danced with a camera serving as the 'customer,' so this was a new experience for them."

## XXX STARS SHINE ON CINEMAX'S CO-ED CONFIDENTIAL

Michelle Maylene, Misty Stone along with Seth Gamble and James Bartholet are all cast in the new season Cinemax's hit series, "Coed Confidential."

Maylene, who is an original cast member, returns for the show's fourth season as the lovely and sexy Karen. This time out she joins fellow adult movie stars Misty Stone as Dawn, Seth Gamble as Maxwell Paterson and James

Bartholet as The Film Professor.

"I'm so honored to have been a staple of the show for the last four years," said Maylene. "We have such an amazing cast and crew and that makes working on 'Coed Confidential' a lot of fun!"

"I loved working on this series," Misty Stone added. "I worked so hard this year, and I feel I'm growing as a performer and an actress as well. I am honored to be a part of this project."

Visit Cinemax.com for more information and show schedule.

## EVA ANGELINA HITS FANS WITH HER SEXY IPHONE APP... IEVA

Eva Angelina prides herself on always giving her fans what they want. Now fans can take Angelina wherever they go, with iEva — the adult superstar's first iPhone app.

iEva is now on sale at Apple's iTunes Applications store for just \$.99, and fans can enjoy Eva Angelina in a variety of ways. Developed with skinworXXX — the production company Eva co-owns with Teagan Presley and producer/director Joshua — and cutting-edge new media developers, Brooklyn, Inc, the iEva app has far more than just a simple game or picture gallery. Yes, there are a ton of sexy pics of the Cuban/Chinese star, but there are also links to videos, information on Angelina, dynamic updates of her tweets, news, appearances, and

more—including a welcoming audio message from the superstar herself.

"My fans always want to know what I'm up to and I figured this would be a great way to give them that," Eva says. "I chose what I thought were the hottest pictures to launch iEva and will keep updating my photos on there with the sexiest pics that iTunes will allow."

iEva works with all iPhones and the iPod touch, and it's the second application developed by Brooklyn, Inc. for skinworXXX — the first being Teagan Presley's successful iTegan app.

## MONICA'S BIO IS PURE MAYHEM

During her illustrious career in the adult entertainment industry, Monica Mayhem has worn virtually every hat imaginable. She has been an award winning adult performer, a world-renowned feature dancer, producer, director and now she can add author to her long list of accomplishments.

Monica's autobiography, *Absolute Mayhem: Confessions of an Aussie Porn Star*, published by Random House Publishing, Australia, was released in late 2009 and Monica has been hard at work promoting the book ever since.

She recently returned to her native Australia where Monica did an extensive press tour. "The tour went extremely well in Australia." Says Monica. "We've had amazing reviews and tremendous feedback from readers already, saying the book was candid, funny, honest, educational, inspiring, shocking and really made everyone feel like they know me."

*Absolute Mayhem: Confessions of an Aussie Porn Star* is available for order at [Seekbooks.com.au/book/Absolute-Mayhem/isbn/9781741666427.htm](http://Seekbooks.com.au/book/Absolute-Mayhem/isbn/9781741666427.htm) and other fine online retail outlets.

In addition to promoting *Absolute Mayhem*, Monica continues to be one of the most sought-after feature dancers in the world and she also continues to model. She was also recently featured in a six-page spread and feature interview for *Marie Claire* in Australia.

## JESSE JANE FEATURED!

Digital Playground adult star Jesse Jane, is featured on the cover of *Off the Set: Pom Stars and Their Partners*. In addition to having Jesse and her husband grace the cover of the book, they are also spotlighted in the impressive compilation of photos. Paulie and Pauline—the photographers of the book—say, "We knew that we had the cover shot the moment we released the shutter. Jesse's beautiful smile on the cover says everything we hoped this collection of photos would say."

Paulie and Pauline continue, "Jesse truly represents the type of individual we felt our project was about— an accomplished porn performer who balances an ability to excel in the industry while maintaining a relationship with her partner and her family.

The photos in *Off the Set* present a group of acutely self-aware people who, along with their partners, embrace their choices to work in porn and thrive on the solidity of their romantic relationships. The intimacy level was on high and Jesse Jane said, "It was great shooting with Paulie and Pauline! They made the shoot fun and playful, and we had a really good time.

Hit movies like Digital Playground's bestselling *Pirates II: Stagnetti's Revenge* and *Teachers* continue to make Jesse Jane one of the most vibrant adult stars in the world.

*Off the Set: Pom Stars and Their Partners* is now available for order on Amazon.com and BarnesandNoble.com. ♦

those into her as well if he could manage it.

The heat pooled heavily in the pit of his stomach and lowered into his balls as he used her. They filled and tightened until there was nowhere for it to go but squirt along his shaft and out his swollen head. He snorted as he gave one last thrust to spew his cock-load into her ass. Pulse after pulse throbbed from his cock until the pressure in his balls eased and the jizz just oozed into her. He looked down again in time to see his softening cock slip from her puckered hole and a trickle of cum slide down her crease as if chasing it.

Releasing her legs, he lied down alongside her to recover for round two. After all, he couldn't ignore her pussy.—*Al, Clyde, Ohio*

## CLICK

She spread her legs wide across the hood of the car, bowing her back and giving the camera and me a perfect view of her round ass. "Like this?"

I couldn't resist touching that body. I moved to her and made unnecessary adjustments to the spacing of her knees. I pushed her back low with one hand and held her ass in place with the other, letting my fingers press into the soft flesh exposed by the thong she wore. My hand spanned her cheek, pinky reaching toward her puss and I could feel the heat coming off her. I grinned at my luck. I love 'em cute and clueless.

"Are you up for some X-rated shots?" From the way she tilted her ass into my hand, I knew the answer before I'd asked.

Funny part is, I'm not the photographer, just a mechanic who brought over a car for him. The model arrived while he was at lunch and I took an opportunity to play with some hot ass for a while.

"You mean like, fucking me?" She smiled. "Pictures of me all naked and hardcore with you pumping your cock into me until I scream and gush so you can sell them to other men who'll use it for stroke material and cum all over my images?" My cock turned to stone as she purred the words and wriggled her ass under my hand. "Yeah," I responded "Exactly like that." She

was so into the idea of guys jerking off over her pictures, it almost made me sorry I didn't actually know how to work the camera.

She moaned softly and hooked her thumbs in the band of her thong, slowly peeling it down her half-moon ass cheeks and tight thighs. The crotch pulled down last, lingering between her full, smooth lips.

I stared a moment, taking in the neatly closed pussy I was about to open with my iron-hard cock. I could see the glimmer of wetness along the

crease of her cunt and pushed two fingers in to explore as I released my dick with the other hand. Her hole was perfect—hot, slick, tight and ready.

I sawed my pointed fingers in and out a few times. Her mouth moaned as her pussy made sucking noises with every pump of my hand. She rocked back to meet each thrust. I jerked my cock and held my fingers in place for her pussy. I just watched as she made a slut of herself, fucking my hand with her greedy cunt, begging me to fuck

Finding comfort away from the credit cards of men!

**“MANY GIRLS FROM  
THE NIGHTLIFE  
SCENE MEET THEIR  
FIRST LESBIAN  
PARTNERS AT THE  
INFAMOUS BOTTLE  
CLUBS.”**

**B**eauties who roam the nightclub scene are an adventurous breed. Many are sexually fluid—moving from cock to pussy, then back to cock with ease. Karlei and Adrienne are seen around the busy bottle clubs in various urban hot spots, getting free-spending males to shell out moolah for amazingly over-priced bottles of liquor. There is a physical thrill for these gals in watching a man open his wallet and take out a credit card. Karlei and Adrienne fuck some of these men when it tickles their fancy. Several of these dudes, of course, are attractive in ways beyond their financial appeal.

Our heroines also like to spend lesbian time with each other. They usually get together in the afternoons to suck each other's tits and savor one another's cunnies with tongues, toys or fingers. Sometimes they take bubble baths as they drink champagne and indulge in strawberries and cream while masturbating each other with their toes under the soapy water. The girls are turned on by their mutual beauty, but also because they consider themselves special—like human thoroughbreds—for their success at getting men to spend recklessly on them.

Sometimes as they finger each other or stuff their holes with dildos, they gossip about the gents they've been hanging around with lately. They speculate on what the men would do if they could see them now, cozy on a couch. Would they try to join in with their cocks? Or would they choose to sit off to the side and stroke to the Sapphic show? Some of those guys are kinky, so our girls can only guess what the responses might be.

One thing is for sure: Karlei and Adrienne know each other's responses—warm, soothing gushes of syrupy satisfaction as they cuddle in each other's arms! 💎

## UNTAPPED ASSETS

**STARRING:** Gracie Glam, Missy Stone, Tiffany Tyler, Cindi Loo, Jamie Reamz, Mark Ashley, Marco Banderas, Sascha, Mark Wood, Mr. Pete

**DIRECTED BY:** Zander

**AVAILABLE FROM:** Vouyer Media

In what is a collection of "firsts" for this relatively new batch of porn hopefuls, director Zander is out to capture milestone achievements by casting these girls along side tried and true studs.

With interesting interview sessions, Jamie Reamz begins the show by delivering what is her first ever on camera scene with Marco Banderas. Despite some shaky nerves, which

actually adds to her appeal, Jamie proves to be right at home when sucking and riding cock, even an experienced one like Marco.

After that breakthrough performance, Cindi Loo takes center stage to do her first ever anal scene. Instead of handling her with care, Mark Wood gets right to business in her asshole after this twenty-one year old bombshell proves that she's a live wire.

In the next set up, Tiffany Tyler is up for the challenge of taking on two cocks at once. Despite her amateurish blowjob, she still tries hard to mouth both cocks even when her gagging gets the better of her. Her pussy is better equipped for the challenge, although some of the visual impact is lost with the blown out lighting.

In their respective scenes, Gracie Glam and Missy Stone remind us of their star appeal when they fuck like porn pros. Both finish off their trysts with their first ever vaginal cream pies. Sweet!

★★★★

### EXTRAS:

The party is in full swing with the loaded bank of extras. Included is comical footage from the cutting room floor, a solid array of hardcore fuck pics, and trailers for more Vouyer releases. The real piece de resistance is the bonus scene that featured Jayden Williams being ridden hard in a scene from *Breakin' 'Em In #12*. Yeehaw!

# I'M A BIG GIRL NOW #10

**STARRING:** Madison Parker, Misty Rivers, Amy Brooke, Kiera King, Alexa Cruz, Mark Wood, Mick Blue, David Perry, Mr. Pete, John Strong  
**DIRECTED BY:** Ray Bones  
**AVAILABLE FROM:** Diabolic

Watching young, horny newbies getting their butts stretched out on camera is what's being served up nice and hot, in this wall-to-wall offering that is all about hot girls with even hotter assholes. So, if gaping sluts and bubble butts are what you're in the mood for, then get ready to fill up on teenage tushy in this DVD.

Alexa Cruz begins the show with a naughty

striptease session that quickly segues into her swallowing John Strong's sword whole. After a few vaginal positions, Alexa jumps on top to get her butt hole plugged by his mega meat.

When finished there, Amy Brooke is the next girl in the hot seat. She begins by fingering her bung for the camera, while working up some pussy froth at the same time. Once primed, David Perry goes straight to anal by jabbing her junk in doggie position. Now that's the type of informal introductions we like.

Although great, Kiera King's winning performance in the next set-up helps to make her my new favorite girl. With anal skills so intense, Kiera is clearly the girl to beat.

Covergirl, Madison Parker, also makes sure she is not forgotten when she gives up gobs of her Hungarian heiny to Mick Blue with memorable results.

Finally, Misty Rivers is chosen to close the show by exercising her ass with a butt plug before switching it out for the real thing.

★★★

## EXTRAS:

The featured production is followed up with a decent, but ordinary, array of extras that includes a photo gallery section, some worthwhile BTS footage, and a cumshot recap option that does a decent job of recounting all the saucy endings.

# BLACK LISTED

**STARRING:** Shyla Stylez, Kiera King, Ashton Pierce, Katie St. Ives, Mandy Sweet, Missy Woods, Lexington Steele, Sean Michaels, Jon Jon

**DIRECTED BY:** Vince Vouyer

**AVAILABLE FROM:** Vince Vouyer Unleashed

Perfectly fit for the interracial sex lover in us all, director, Vince Vouyer, packs a powerful punch when presenting tight Caucasian cunts taking in loads of black nuts. Along with a bit of interracial education, Vouyer hits a triple with this flick that covers most of the bases!

The first name to be etched onto the "Black List" is Kiera King. She is properly inaugurated

by Lexington Steele—the most celebrated black stallion of them all. For what becomes Kiera's hottest performance to date, Kiera gets it hard up the ass and still begs for more.

When finished there, Sean Michaels is happy to include Mandy Sweet on the list when he bends her over his knee to inspect her holes. He later fills her pussy up with his chocolate thunder in several crowd pleasing positions, proving that fucking her in doggie is what she covets most.

After such a great performance, Sean Michaels is at it again when he stacks up Ashton Pierce and Katie St. Ives. The young and sexy girls are more than happy to stroke his huge cock, but not before he lines them up

and wildly fucks their insatiably tight holes.

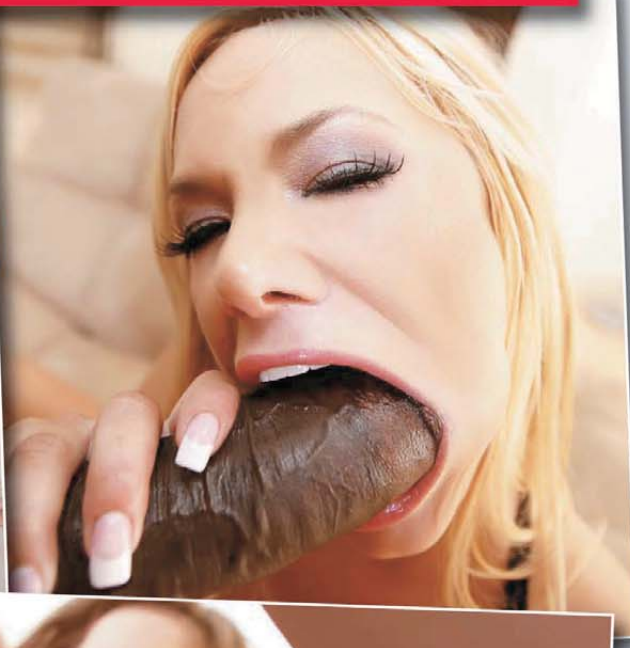

Missy Woods also has a go when taking on two cocks at once, but it's Shyla Stylez who blows the roof off the joint when she teams up with Lexington Steele for the ultimate round of chocolate love.

★★★★★

## EXTRAS:

For what ends up being five additional scenes, Vouyer takes it upon himself to have the featured girls blow him one at a time. The results are then packed up nicely and presented as juicy extras. There are also a slew of racy photographs to go along with the action, as well as trailers that we'll likely keep our eye on.

## COUGAR 101

**STARRING:** Lisa Ann, Diamond Foxxx, Payton Leigh, Persia Pele, Raquel Devine, Dane Cross, Joey Brass, Johnny Castle, Pike Nelson, Tommy Gunn, Herschel Savage (non-sex)

**DIRECTED BY:** Jonathan Morgan

**AVAILABLE FROM:** Wicked Pictures

After his smash hit, *The Cougar Hunter*, director Jonathan Morgan is on the prowl once again in this latest cougar comedy. Being helmed by Professor Vonhassleburg (Herschel Savage), both men give us a first class education on spotting illustrious jungle cats in action.

Persia Pele, the career cougar, is the first sex kitten to sink her claws into fresh meat

when she seduces Dane Cross into taking her pussy out for a spin. They fuck wildly across her desk, but not before she wets his whistle with a sloppy wet blowjob.

Lisa Ann, reprising her role of the supreme MILF, sets the snare and gets down to business when exercising her chakras out on Johnny Castle. Their fucking is quite hot, securing her placement on the top of the MILF hierarchy. Hot!

When finished there, Joey Brass is haunted by the ghost of Payton Leigh. What transpires next is amazing oral skills and a one hell of a tryst in reverse cowgirl position, although their doggie display has enough passion to wake the dead.

Although Lisa Ann is incredible, Raquel Devine is hot on her heels as premiere puma when she brings the house down in the best scene of the movie along side Tommy Gunn.

Our education ends with Diamond Foxxx beating out her daughter for the right of taking Pike Nelson out for a swim. Sexy!

★★★★

### EXTRAS:

Having the opportunity to watch Lisa Ann fuck one more time in a bonus sex scene is icing on the cake. The bank of stellar images, presented with both soft and hardcore photographs, and trailers for more coming attractions are what will keep us coming back for more.

## LA PINK

**STARRING:** Joanna Angel, Misti Dawn, Andy San Dimas, Nicole Sevvven, Coco Velvett, James Deen, Brian Street Team, Sean Michaels, Erik Everhard

**DIRECTED BY:** Joanna Angel

**AVAILABLE FROM:** Burning Angel Entertainment

In keeping with the spirit of the porn parody, Joanna Angel and friends donate their creativity to the phenomenon by spoofing the popular reality show, "LA Ink," that highlights the coolest tattoo shop in Los Angeles. With her original take on the show, Joanna has staffed the hottest tattoo artists in the biz and has a blast unleashing them on plenty of hard

cocks, which helps to make this a worthwhile watch.

Across two disks, Joanna is the first one to get it when she fucks herself on a rooftop followed by some lesbian fun with Nicole Sevvven. Although a brief encounter, her tryst makes for the perfect warm-up session into watching Erik Everhard pump his cock inside of Coco Velvett and Andy San Dimas.

Joanna is later found conducting a business meeting about a pizza merger in a bathroom. This quickly leads to her taking Sean Michaels up the pussy across her desk. Meanwhile, Sean's partner, James Deen, is hard at work bending Misti Dawn over a sofa to fuck her sweet ass at will.

After both cocks cum, the story resumes with James and Sean dipping their dicks inside of Joanna's sweet holes in the back of a limousine, which ends up becoming the hottest fuck featured.

The orgy scene at the end is also quite nice, solidifying this movie as some of Joanna's best work.

★★★★★

### EXTRAS:

What shouldn't be missed is the ample behind the scenes footage that actually adds to the overall experience of the parody. The photography section is also quite nice, along with trailers that showcase more of Joanna's hot ass in action.

## UP'R CLASS #6

**STARRING:** Kristina Rose, Phoenix Marie, Aurora Snow, Jessica Moore, Courtney Cummz, Michael Stefano, Ben English, Mick Blue, Pat Myne

**DIRECTED BY:** Danny Case

**AVAILABLE FROM:** Third Degree Films

**C**elebrated ass whores are more than happy to bend over and take it in this well shot offering being presented by director, Danny Case. With ample teases to begin the play, the girls are hot and ready to rock.

Courtney Cummz is the first girl up. She begins the parade by sticking a big toy up her ass and showing off her wet panties. She is later joined by Michael Stefano who makes

her earn his load by getting repeatedly ass stuffed and gaped.

Phoenix Marie, one of the best bitches around, proves her anal star burns bright when Ben English goes tinkering around her experienced anus. She wiggles and jiggles her big ass all over him and is more than happy to play with his load.

Also making a strong showing is Aurora Snow. She looks as delicious as candy when presented in silk stocking and garter belt, but proves she's much more naughty than nice when taking eight inches up her bung.

Later, Jessica Moore makes us aware that she is more than just a pair of natural tits when she donates her asshole to the project.

Although each of her featured positions are great, it's her tittie fucking session that will have your head rolling.

Always in perfect form, Kristina Rose ends the experience and shows us that she's got the best ass of them all!

★★★★★

### EXTRAS:

The behind the scenes coverage is quite nice and reveals personal effects on the featured girls, which is always a treat. Also good is the well stocked bank of erotic images that capture the girls doing what they do best. The added cumshot recap option is just icing on the cake. Definitely make it a point to spend some time here.

# Holly Randall

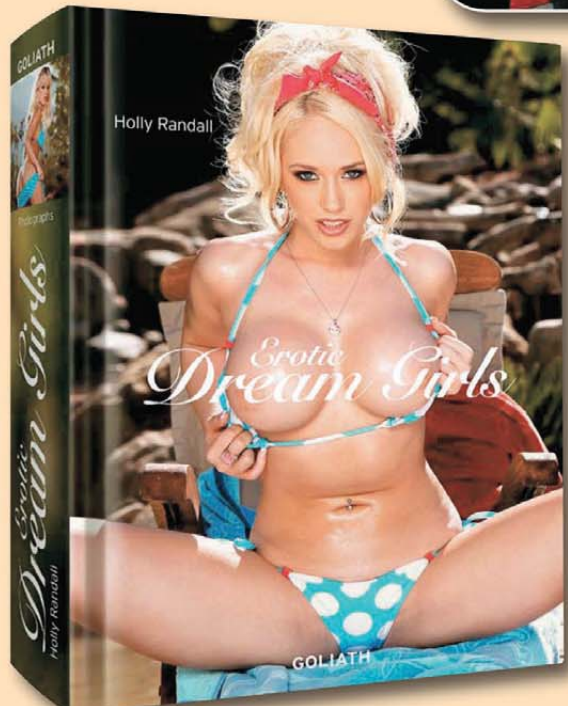

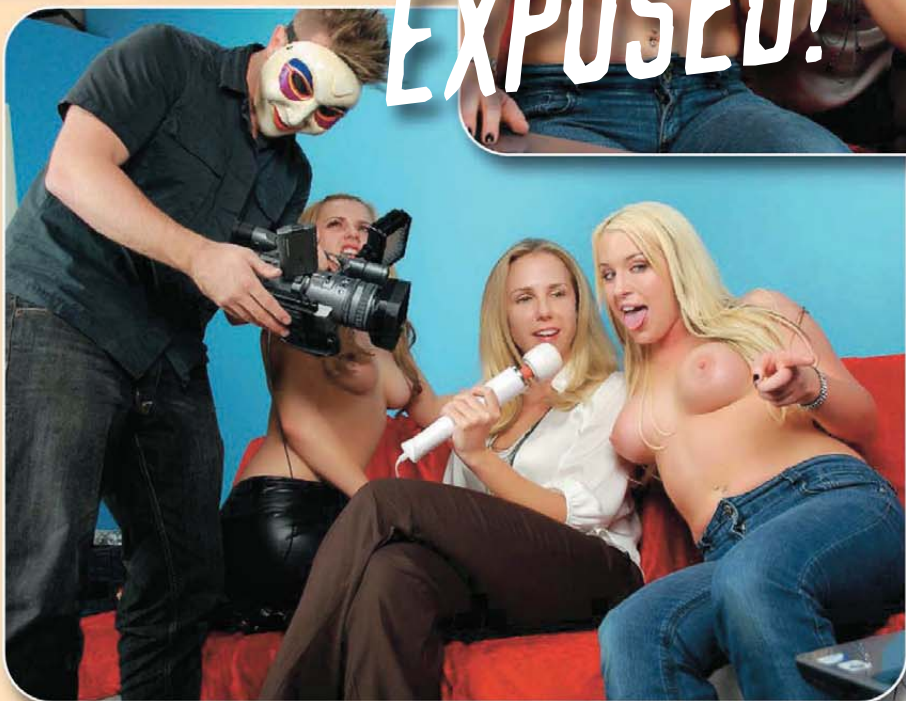

By Phil Porter

**H**olly Randall has an unusual artistic struggle. As one of the very top photographers in the adult industry, her job is to snap pictures of the hottest performers in porn doing what they do the best—steamy, erotic, filthy things to each other. The women are always beautiful on these hot assignments and the sex is consistently graphic and action-packed. One would think you could just point and shoot in the general direction of the heavy breathing and end up with a respectable set of XXX images.

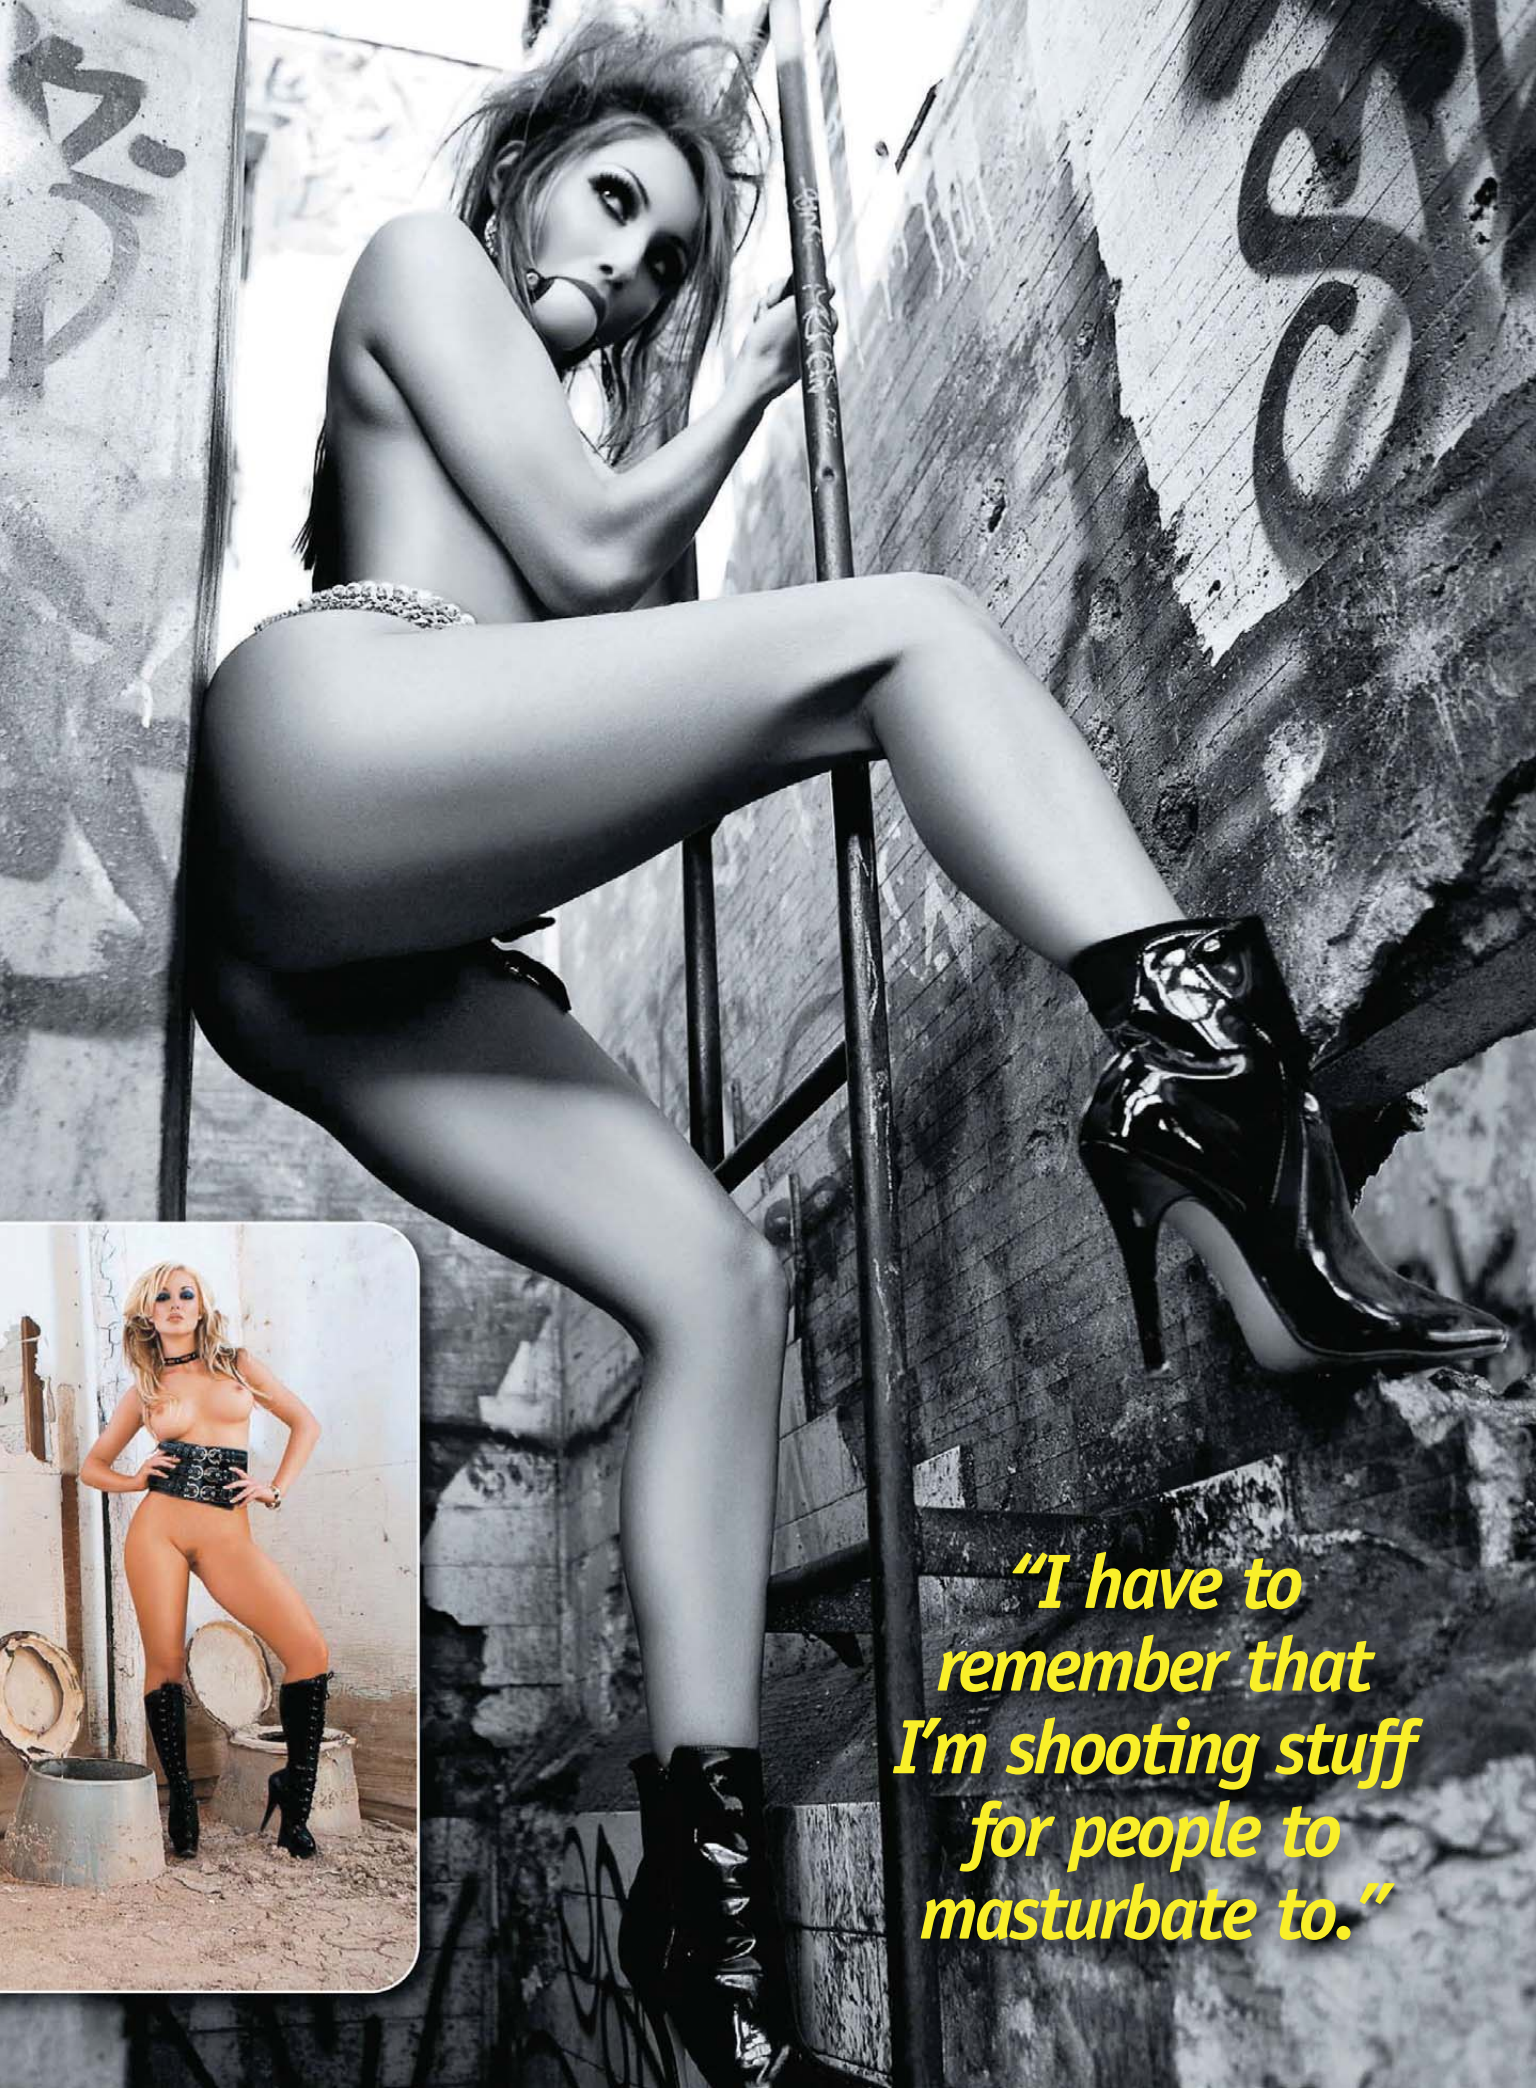

Holly Randall aspires to more.

"I like to meet every model before I shoot them, she explained. "I want them to feel comfortable and I want to get to know them—to see if there's something about

EXPOSED!

*"I have to  
remember that  
I'm shooting stuff  
for people to  
masturbate to."*

So, where did this uberdedication to the art of erotic photography come from? In Holly Randall's case the answer's simple: DNA.

Holly's mother is Suze Randall, one of the most famous erotic photographers ever. In the early '70s, the elder Randall started out in the business as a model, but gave it up to devote her life to taking pictures. She ended up working for the biggest names in the business such as *Playboy*, *Penthouse*, *Hustler*, etc. and has photographed virtually every major porn star for the past 25 years. She and her husband, writer, Humphry Knipe, also produced porn movies together and developed several hugely successful adult Internet websites—and little Holly grew up around it all.

"I was obsessed with images as a young girl, especially fashion," Holly remembered. "I had fashion photos plastered all over my walls." "By the time I was 12-years-old, I was developing and taking my own pictures. I spent most of my teen years in the dark room."

Holly also found time to pick up a some general knowledge from the family business—like learning the proper way to give a blowjob from no less an accomplished instructress than porn star, Ginger Lynn.

"It's funny," Holly reminisced. "My parents never hid what they did. They said 'mom took photographs for grown-ups,' but they never gave me the birds and the bees talk, either." Even though it was their business, when it came to discussing sex with their daughter, Holly's hip, sexually cutting edge parents were—according to her—like, "Oh my god. We won't talk about this."

Yet, like most teenagers, Holly figured out the mechanics of how to ride the love salami herself, along with a little inspiration from her mom and dad's porno friends. "I was aggressive when I first got into sex," Holly smiled slyly. "I had spent a lot of time sneaking looks at the porn in the family guest house. I really surprised a few of my first boyfriends."

So, Holly learned what she wanted in bed at an early age, but she wasn't quite sure what she wanted to do with her life. Photography seemed like a hobby, not a career, so she went to UCLA to get a degree in World History. That path didn't seem to hold her attention (there's that pesky DNA influence again), so she decided to switch schools and go to the Brooks Institute—of Photography.

Holly was now studying photography full-time when opportunity knocked at her own front door. In 1998, her parents launched their first website, Suze.net,

***"I was aggressive when I first got into sex," Holly smiled shyly."***

*"I had spent  
alot of time  
sneaking  
looks at the  
porn in the  
family guest  
house!"*

Institute—of Photography.

Holly was now studying photography full-time when opportunity knocked at her own front door. In 1998, her parents launched their first website, Suze.net, devoted mostly to adult stills—and it was an instant success. Mom and dad needed an extra photographer and made Holly an offer to join the family business. She gladly accepted.

For the next few years, Holly thrived under her mom's expert tutelage and learned everything she could about both the art and business of being a successful erotic photographer. Holly also learned something important about herself. She was developing her own style.

"My mom has a more classic style," Holly said. "After years of working for her, I wanted to do different things. More fetishes... I wished I could shoot whatever I wanted."

Her parents were sorry to see their star photographer unhappy, but they understood. A little over a year ago, with their blessing, Holly left the nest and struck out on her own. It turned out to be the right thing to do in a big way.

Demand for Holly's magazine work is strong, her website, HollyRandall.com, is doing great and she's even got an iPhone app in the works. Most importantly, she's never been more fulfilled, creatively. "It's been amazing to spread my wings as an artist," she told me happily. "I love the contrast of shooting beautiful women in decrepit environments. I've taken girls to shoot at abandoned homes; even in Death Valley—I like fashion oriented stuff a lot. I'm also thinking of branching out and starting to shoot some musicians."

Whatever direction Holly experiments with, Suze Randall is her daughter's biggest supporter. "Holly's doing some very exciting things—crazy stuff," she said to me via phone. "Her talent will take her beyond the limits of the adult business today. I'm very proud of her, especially the way she handles the models. The work is all a product of the models—and they adore her."

It's true. When I visited Holly on the set of her HollyRandall.com web show, and watched her interview and then shoot porn thespians, Lexi Belle and Topanga Fox— from the giggling that went on between the three women, you'd think you were at a teenage girls' sleep-over—until you got to the hot, lesbian sex, that is.

"Holly always makes me laugh," said Topanga giddily, as soon as the show ended.

"Me too," agreed Lexi. "Holly always says these hilarious things. She told me today that she likes anal. The daughter of a legend takes it up the ass. How cool is that?"

Indeed. ♣

*"She told me  
today she  
likes anal!"*

# FABULOUS FOURSOME DIET PLAN

Yolanda's cock  
big menu gives  
her the protein  
she needs!

Until recently, Yolanda was skinny in an unhealthy way. With her nose always buried in a book or doing a difficult crossword puzzle, she was depressed without knowing it! Her family doctor told her to add red meat to her diet, but being a vegan, she couldn't eat a hamburger without thinking about the cute, but sad, cattle that would be used to create the patty to fill her bun.

However, following the advice of a psychotherapist specializing in EBC (Erotic Behavioral Conditioning), she courageously decided to get her exposure to meat in another way—by sucking at least twelve cocks a month! Indeed, it had always been a hidden fantasy of hers to do just this, but she needed the medical excuse to take on the challenge. She had to participate in at least four

foursomes over each 30-day period: Three dicks each time for her pussy, mouth, and anus—at a location of her choosing.

The therapist promised that adopting this “Fabulous Foursome Diet” would bring Yolanda an upswing in her self-image, which would transform her from lonely beanpole to well-boffed babe. In fact, the ego boost of having more and more guys craving and pursuing her helped Yolanda put on those badly needed pounds, giving her the lusty shape you see in photos from Club International.

Frank, Mike and Gino were three guys from the garage near her house, and she took them on when she’d developed not only newfound confidence in her sexual skills, but also the kind of smokin’ bod she knew they would appreciate. Yolanda’s ecstatic moans as she accepted blasts of protein-packed cream on her sphincter, could be heard through the neighborhood. Pleased with Yolanda’s progress, her doctor anticipates eventually moving Yolanda onto the “Fearless Fivesome Program,” and he may even directly administer a little protein therapy himself sometime. Now, who says doctors don’t make house calls anymore? ♣

# IT'S GOOD TO MEAT PEOPLE

HERE'S LUCY'S  
SOLID REASON  
TO POSE!

Lucy Lee didn't start modeling simply for money or ego. Actually, she hadn't gotten laid in some time—a dire situation that was only remedied when she decided to pose and meet her first photographer—a real charmer. After they'd completed the shoot and she'd gotten paid, he bought her a dinner that happily segued into her sucking his dick. “Maybe I was just giving out an untouchable aura during all those lonely months, sending out signals that said, ‘Stay away?’ I inherited moodiness from my mother’s side of the family.”

Modeling helps her make sure that she doesn't get too isolated again. “As long as I'm modeling, I'm meeting photographers, other models, casting agents, porn directors, smut writers and sex mag editors—so I'm in the social swing. I get regular offers to give or receive head, get gang banged, take it up the ass, have lesbian get-togethers, and do double penetrations with dudes and their wingmen. Life is interesting and full of opportunity again.”

Lucy finds that modeling is as creative as it is a pathway to sexual satisfaction. “Taking off a pair of silky stockings makes me feel so womanly, and then when I'm posing barefoot on the floor, twisting myself into different positions, I feel like such an uninhibited creature! At first, cramming a dildo in my ass was foreign to me, but now it's second nature. I even like to wear a butt plug during the day sometimes; just to remind myself what a mega-horny slut I can be!”

Well, when we open our *Club International Model Recruiting Station* someday in New York's Times Square, we're going to ask Lucy Lee to stand at the door and give the kind of pep talks that will lead to applications pronto! ♣

# ANGELINA ASHE

By Eliza Starr

**S**he's a dirty little blonde from a small town in West Virginia who headed west to be a dirty little blonde in magazines and movies. There may be a bit of type casting in her roles for *Naughty Country Girls* (Naughty America), *Real Racks 5* (3rd Degree) and *Sex Secrets of a Dirty Blonde* (Penthouse), but so what? She's also a member of *The Screw Club* (Penthouse), worked as *My XXX Secretary* (Digital Sin), has *Monster Curves 3* (Reality Kings), enjoys drinking a *Cumcocktion* (Digital Playground) and was *Seduced By A Lesbian 5* (Lethal Hardcore). That's Angelina Ashe—and for the nasty details, read on.

**C:** Angelina, welcome to *Club International*! Please tell us how you got started in this business.

**Angelina:** I started out as a stripper, and the club owner I was working for turned me on to feature dancing, so I began without any credits. I quickly found out that in order to get good bookings and to sell merchandise, I needed those credits to make a name for myself and pull in fans. I met some girls and began shooting girl/girl, so I guess you could say I did everything backwards, but that's me making everything more difficult than it needs to be. As a stripper, I also had a wild side to me. I used to go out and party, do wet t-shirt contests, flirt with guys and such. I was also surrounded by young, curious, inexperienced girls at the strip club and let me just say—I had lots and lots of

*"I know I was kind of a bad girl!"*

**"I'm pushing  
my boundaries  
and having fun  
doing so!"**

fun. I know I was kind of a bad girl exploring and testing the waters.

**CI:** Do you think you got dirtier and more sexually adventurous through the industry?

**Angelina:** I was dirty when I got into the industry, but being nervous my first couple times on camera I kind of closed up, I guess you could say. The more I shot, the more into it I became. Now I'm becoming more sexually adventurous, and I'm learning what used to work for me at home doesn't work for me anymore, so I'm pushing my boundaries and having fun doing so!

**CI:** We really love girls who push boundaries, what are some of yours?

**Angelina:** As of right now, I will not do anal. I've never done anal in my life. I'm fearful of the pain. Aggressive sex with me has boundaries and only happens if I feel comfortable with the person.

**CI:** Is there anything sexual you do in your personal life that you haven't done on film...yet?

**Angelina:** No, not yet. I am working on the anal part. Any takers? I figure I need to do it in my personal life before I share it with the world. You know, just to get the hang of it. I also attempted a boy/boy/girl in my personal life, but that didn't work out so as of right now—[that's a] no go.

**CI:** Are you into group sex? What's the most people you've been with in a scene?

**Angelina:** Umm, this is a tough one because my answer varies. I think I would like group sex in my personal life, but in a scene it's just a big cluster fuck. (laughs) I did a scene with six girls I believe, and three guys [in] *Big Butt Oil Orgy* (3rd Degree). That's the most to date.

**CI:** What turns you on/excites you?

**Angelina:** It depends on my mood at the time. Currently, I am getting into guys dominating me a little. Not getting rough, just being assertive. I guess because I am in the industry and usually only date outside the industry, guys are intimidated by me. Thus, it's nice to be told what to do in the bedroom for a change. I also like role-playing with a story in mind. Girls like getting into stories and character. Or at least I do.

**CI:** Are there times when you

like to be the dominant one?

**Angelina:** This answer again depends on what mood I am in and who I am with. Right now, I have someone in mind that I would love to just come in this room and fuck the hell out of me...mmm...so I guess that means I want to be the sub, currently. Damn it, Now I'm horny.

**CI:** That's not a bad thing, but let's turn it down a bit to finish our interview. What turns you off?

**Angelina:** I absolutely hate arrogance, bad manners, slang, smoking and bad eating habits.

***"Ideally, I like to have sex twice a day!"***

**CI:** When you get horny, do you like to masturbate?

**Angelina:** Doesn't everyone? I love to masturbate because I get into a zone where I can make up my own fantasies and make myself cum as many times as I want—or can physically handle at the time. (laughs) I can't tell you how I do it, that's my little secret. I like sex toys, but nice useful ones, not the big dongs that do all of these unnecessary tricks.

I like the toys that stimulate the clitoris while hitting the G-spot. Simple, but [they] get the job done—very well. I have been exploring several fantasies lately.

**CI:** What type of person appeals to you?

**Angelina:** I like strong, confident men who can take care of them-

**clubxcell**

**GET US ON YOUR CELLPHONE AT  
CLUBXCELL.COM**

selves. Financial security is a must and so is a good sense of humor. In women, I like a pretty face and tits. (laughs) I know, so shallow.

**Ci:** In your opinion, what is good sex?

**Angelina:** Good sex is when both parties enjoy themselves, let go, have fun and pleasure one another. Ideally, I like to have sex twice a day: One, personally and the other for a scene. If it's all personal then there is no limit unless my body just can't take anymore.

**Ci:** Are you wilder on or off screen?

**Angelina:** That all depends on the mood I am in and the person I am with. Certain people just bring my inner freak out and when that happens, I love it. They are a keeper at least for 30 days

**Ci:** What was your first scene like?

**Angelina:** My first scene was a girl/girl for New Sensations with Ashlynn Brooke, and the scene was used in several different titles, although

I have no idea why because I was completely convinced that I had no idea what I was doing. I remember being scared to death. I hated the makeup, the lights scared me and Ashlynn had no patience in dealing with a new girl. I barely got through it but I'm glad I kept going and exploring.

**CI:** Do you prefer scenes with people you've worked with before or new talent?

**Angelina:** Scenes with people I have worked with because I know what I am getting into and I know if we have chemistry or not. I love working with Chris Johnson and Nick Manning. They just have this passion about them. I know it sounds silly, but I literally melt into their arms. I admit, though, working with someone new can be exciting at times.

**CI:** Is there anyone you'd like to work with that you haven't had yet?

**Angelina:** Yes, I would love to work with Randy Spears. Even before I got into the business I had this huge porn crush on him. So, it would be nice to fulfill that little fantasy of mine.

**CI:** Do you still watch porn?

**Angelina:** I watch my own porn to kind of critique myself and learn what not to do next time. I usually don't watch another person's porn, simply because I can't get horny anymore. I know half of the cast and sometimes that doesn't let you get into the story line. I'm not really into watching, I much prefer to be in the action rather than be a spectator.

**CI:** Have you learned anything new from working in this industry?

**Angelina:** Yes! Lots of new, little sexual tricks and actually a new-found confidence with myself and my body.

**CI:** What do you do to maintain your body?

**Angelina:** Umm, honestly I have issues with motivation and the gym. So, right now I am doing a fitness boot camp, which is great because when I start to slack the instructor yells. Sometimes, I just need a little kick in the ass.

**CI:** Tell us about one of your scenes that you think kicks ass.

**Angelina:** My favorite scene I did was for Brazzers and it was with Courtney Cummmz and Johnny Sins. I chose this one because we all three have great chemistry from the beginning, and it felt like we were all fucking to fuck as opposed to fucking for the camera. It was hot and intense.

**CI:** Does size matter? How do

you prefer your cocks?

**Angelina:** Of course size matters! For me, it can't be too big or too small so I like medium cocks all the way! I love to see if I can fit a cock all the way down my throat and if I can't, I will try until I do.

**CI:** How many cocks can you handle at once?

**Angelina:** I could probably handle two or three but I am sticking with one right now on film. Maybe I'll save that one for my website, so make sure you check it out.

**CI:** Who do you think gives better head—men or women?

**Angelina:** It all depends on the person. In the business, definitely men because I find most girls do not really know what they are doing or really don't like women—they're just gay-for-pay.

**CI:** Is it easy to make you cum? What's the best way to get you off?

**Angelina:** It's very easy to make me cum. I get on top, do the work, and make myself cum. Hey, I know how I like it! Cowgirl's my favorite position and I'm noisy, noisy, noisy! I am a screamer and cannot do it otherwise.

**CI:** Do you have squirting orgasms?

**Angelina:** No, I never have thank god because it grosses me out.

**CI:** How do you feel about the cum shot?

**Angelina:** This depends on the male talent I'm working with. If I like the guy and know he doesn't taste bad, I don't mind taking it on the face or in the mouth. I'm the girl when asked 'sweet or salty' who responds 'salty' so, of course, I like the taste of cum. Well, most guys...to be honest, there are always those select few who make you think, 'is this really cum?' (laughs)

**CI:** So, what's your favorite food?

**Angelina:** (Laughs) I love all foods. Sushi and a nice filet mignon are in the top faves.

**CI:** Ahhh, fish and beef, I get it!

**Angelina:** Yeah, so do I! 🍷

**G**irlfriends Films remains a premiere production company in supplying the marketplace with realistic lesbian erotica that puts emphasis on complex storylines, seduction, and romance. In an effort to answer the many requests of fans to produce a movie centered on a lingerie store, director Dan O'Connell and crew have completely branched out into uncharted territory by creating *Pin-Up Girls*, a series that revolves around the 1950's pornography trade through "girlie magazines." Today we have been cordially invited to witness this glamorous new series unfold.

Upon entering the pre-50's style house that has been masterfully furnished and outfitted with classic '50s antiques and memorabilia, it's hard to imagine it's 2010 right outside the door. The scads of beautiful girls roaming the halls wearing Cuban heeled stockings, bullet bras, and Chantilly lace slips are also doing their part to add to the classic feel and charm of the day.

Minutes away from show time, Girlfriends Films contract star, RayVeness, takes me aside and fills me in. "In the series, I'm playing the leading role of an entrepreneurial fashion model who

recruits fellow models into the scheme of taking and selling sexy photographs for money." O'Connell later joins the conversation by adding that it took him over a year to acquire all of the "period-perfect" furnishings, props, and costumes. "Nearly all of the wardrobe was acquired through eBay," O'Connell boasts. "Most of the focus was on buying sexy lingerie—bullet bras, panties, garter belts, girdles, corsets, slips, and shoes. Given the variety of sizes the models would need, hundreds of pieces had to be purchased." His attention to detail is staggering as his costumes come to life on Zoe Britton and Girlfriends Films contract star, Prinzess, who look ideal in their respective undergarments.

After the final lighting and camera check, O'Connell gives the green light as Zoe and Prinzess take their positions on an antique bed. Obviously eager to connect with one another, Zoe takes the dominant role by playfully seducing Prinzess into giving her a kiss. As soon as their lips connect, Prinzess thrusts her legs forward causing her gold heels to dart across the room. With noticeable strands of pussy gloss beginning to web in the tendrils of her curly

muff, Prinzess's naughty display drives Zoe to near breaking point. Overcome with passion, Zoe treats Prinzess to more powerful kissing by shoving her tongue down her throat and grabbing overflowing tufts of her golden hair. "Please lick my pussy," Prinzess purrs when she finally releases herself from the airtight lip lock.

Emphatically pleased, Zoe delays the hardcore action for a few moments longer by funneling Prinzess's sharp nipples between her lips to nibble on the pearly points. When she is finally face to face with her pussy, Zoe spreads Prinzess open and loudly whiffs the aroma between her legs. "Your pussy smells so delicious," she compliments before swiping her tongue over the pink meat and dark curls.

After several minutes of hot oral action, Prinzess takes her spot on top of Zoe and intertwines their legs into a knot. Once locked in, the girls rub their crotches together like crickets until the sheets and their legs dampen with splashes of their orgasmic releases. "Wow, that was hot!" O'Connell applauds, as he congratulates the girls on delivering one hell of a scene.

As that scenario ends, RayVeness and Ashlyn Rae continue in on the action. Without the need for much instruction from O'Connell, these pros prove to be well versed in the art lesbian seduction. Like the two that came before, these ladies fall into each other with kissing so passionate that the room falls silent. With the camera inches away from the plump lips and tongue swiping action, not a single moment is missed. "You're turning me on and making me so wet," RayVeness is faintly heard whispering into Ashlyn's ear.

With ample seduction and tease sessions, the girls later remove their bullet bras and begin to fondle, lick, and squish their natural tits together. "As you may well have noticed, none of the women featured in *Pin-Up Girls* have tattoos or breast implants. These girls are the genuine article!" O'Connell says under his breath, as we continue to watch RayVeness and Ashlyn seduce each other with plenty of body worshipping.

Eager to dine first, Ashlyn spreads RayVeness over the ivory sheets like butter and pulls her lacy girdle off using her fingers and teeth. Now fully exposed, Ashlyn loudly slurps around RayVeness's

curly cunt and wedges the tip of her nipple in and out of RayVeness's glossy hole. "You're such a naughty girl," RayVeness teases while licking up the slit sauce collected over Ashlyn's nipples. "I just can't get enough of you," Ashlyn spurts as she goes back down to get another helping of RayVeness's yummy Southern bell.

After several positions, and a mess splashed over the bed, the girls end the scene in each other's arms. They are dangerously out of breath and in desperate need of rehydration. Again, O'Connell rises to his feet to thank the girls for a job well done. As can be expected, their accolades are indeed well deserved.

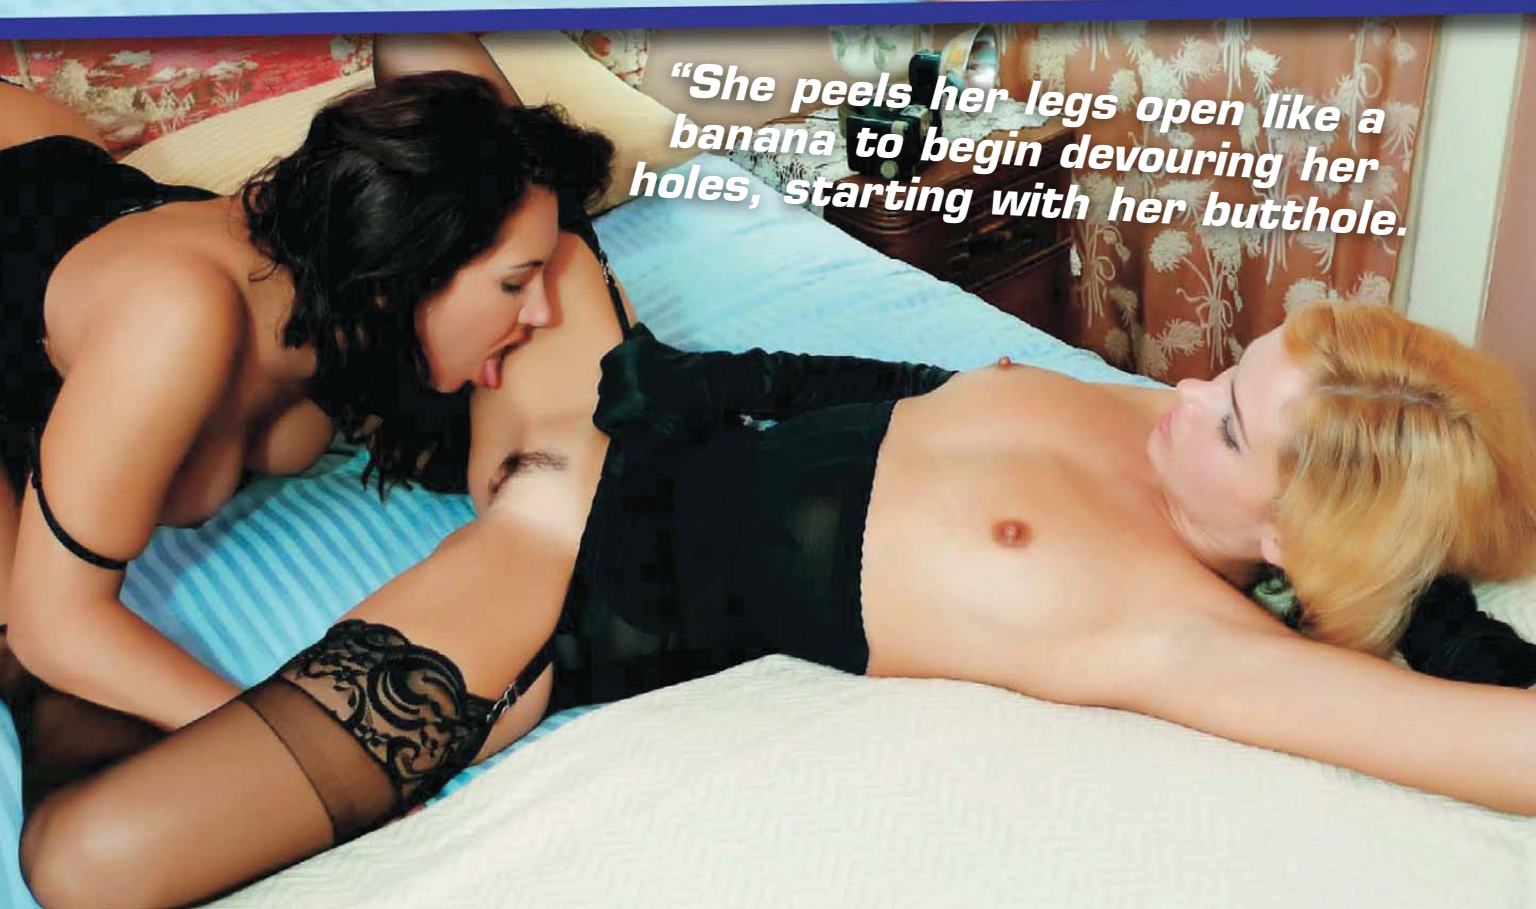

After this display, all of the girls clean up and get ready to take some box cover and promotional shots for the production. As each of the handpicked ladies ascend into the living room looking every bit like '50s pin-up models, all of O'Connell's hard work definitely seems to have paid off. The girls—Zoe Britton, Victoria White, Ashlyn Rae, Kimberly Kane, Faye Reagan, RayVeness, and other fellow contract sister, Prinzess—look stunning! They pose and play for the camera, arranging themselves in several configurations so O'Connell is assured the perfect shots.

Once happy with the results, Kimberly Kane and Faye Reagan take center stage for the third scene of the day. Looking the most like '50s pin-up models, these two beauties have no problem sinking into the genre and each other. "You're so damn sexy! I just want to eat you up!" Kimberly mouths. After her hot revelation, Kimberly pushes Faye onto the bed to play a game of pat-a-cake over her ass. Faye giggles and coos as each smack of Kimberly's hand echoes in the old-fashioned bedroom.

Soon, Kimberly is doing more than just smacking Faye's fanny when she peels her legs open like a banana to begin devouring her holes, starting with her buttocks. "I just can't get enough of you," Kimberly sighs again, this time revealing a cooze covered mouth that is dripping with Faye's pussy polish.

Once sufficiently hydrated with pussy milk, Kimberly rolls Faye over and tears into her perfect tits that are capped with an

excellent set of puffy nipples. Squishing them between her fingers and her lips, Kimberly whispers, "I wish I could take you home and fuck you every day." With her eyes rolling in the back of her head, Faye doesn't respond to her partner. Instead, she chooses to let Kimberly ravage her body as her pussy continues to leak and stain the sheets.

After several minutes, Faye finally breaks her silence by saying, "Now, it's my turn!" With a rather stern bravado that is not usually connected with this gentle performer, Faye throws Kimberly back against a stack of pillows and loudly begins to chug on her beefy beaver. "I'm not going to stop until my mouth is dripping with you," Faye continues, while throwing in a few fingers for good measure. True to her words, Faye doesn't stop until Kimberly pops!

The final scene of the day brings RayVeness back for a repeat performance. This time she is joined by Victoria White. RayVeness—who has had her eye on Victoria since early this morning—is already biting the lace fabric around Victoria's bra before action is called to their scene. When the time comes, RayVeness hits the ground running by stripping Victoria out of her constrictive girdle and panty set. She goes straight for her pussy once they fall across the bed. "I'm going to make you so horny," RayVeness insists as she begins to stroke and lick Victoria's smooth slit. To get the full impact of RayVeness's frontal assault, Victoria pulls her legs back against her chest and locks her hands around her

ankles. Now filleted out like a sardine, RayVeness is able to slide her tongue in deeper. "Don't stop baby, I'm almost there," Victoria cries out, right before the room fills up with the sound of RayVeness loudly gargling her gush.

After about five minutes of intense slurping, Victoria regains her composure until the swelling in her slit goes down and her breathing normalizes. Once relaxed and ready to rumble, Victoria tackles RayVeness to the bed and treats her lover to the same oral

delights. She begins by spiraling her tongue over her clit and biting the meaty edges of RayVeness's outer lips. "Do that swervey thing with your tongue again," RayVeness practically begs, as Victoria grants her request. She keeps a steady hold on her clit until RayVeness explodes with a cum blast that nearly tears the roof off the building. As the sensation pulses through RayVeness's body she comically screams, "I love my job!" It is a great way to end the movie and the day.

As is true to form, O'Connell grabs up all his girls at the end of the day and thanks them individually for delivering one hot scene after another. With such attention to detail and the realistic lesbian sex that Girlfriends Films has become synonymous with, expect great things from this production. And even though the movie itself may be fashioned over a time long past, *Pin-Up Girls* is anything but old-fashioned. In fact, it is quite cutting edge from start to finish by delivering the type of girl on girl sex that people will want to line up to see. ♣

# The Write STUFF!

(continued from page 20)

her for the camera. Who was I to deny her?

I hooked my fingers in her and pulled, guiding her off the car to stand beside it. She moaned as she moved and resumed her humping as soon as her feet were on the floor. "Do it, fuck my pussy! Pound it into me right there in front of the camera, so everyone can see how I love having my pussy stuffed." She shook as she ground onto me. "I want strangers to cum on my pictures. I want them to cover my fucking ass and face in their jizz when they see you fucking me."

I pushed my cock down toward my fingers and made the switch mid-rock. She never missed a beat, continuing to hump back on my dick as she'd been doing on my hand. Despite having been opened by thick fingers, her cunt was a snug fit for my meaty shaft. It was a beautiful thing to behold, watching her force herself onto me as I stood behind her, still and stiff. As much as I wanted to move, it was hot to watch her using my cock like she was desperate for it. She bounced back against my hips, her voice high and frantic. "Fuck me. Please, fuck me."

I growled and leaned over her, filling my hands with her ripe tits and pulling her back to me as I rammed. Every inch of her writhed against me—grinding against my arms, chest, hips, thighs, and balls. Even her hard nipples against my palms moved teasingly as her breasts jiggled with each bucking thrust to meet my cock.

I could feel her body tensing before she came and fucked harder. My balls tightened—cockhead throbbing—and each thrust forced a syllable from her—"Oh...fuck...I'm...cum...ming!" Her clenching cunt sucked the cum from my cock. I pulled her hips back and jammed forward into her, pressing her asscheeks as I soaked her insides.

As we recovered, she whispered, "We'd better get cleaned up before the photographer gets here." She laughed at my look of surprise. "You never even removed the lens cap." She grinned, "But hey, I love 'em cute and clueless." —*Carmine, Brooklyn, NY*

## MORE THAN COMPANY

When I was looking for a cheap place to live during the summer, I answered an ad for a small two-bedroom cottage. I drove out the next day to see it. The young couple who were renting it lived in a big house in front. The cottage had been empty for some time and the couple—Chuck and Cindy—had decided to clean it up and rent it out.

It was too good a deal to pass up, and Cindy was as beautiful a woman as I'd seen in a long time. I moved in the following weekend. There was a pool between the cottage and main house, and I was

told it was available for my use any time. After I was there a few days, I came home from work one afternoon and Cindy was in the pool. She asked me if I would like to join her for a swim. I took a quick shower and headed for the pool, where I found Cindy lying on a big towel on the deck.

My eyes almost popped out of my head because Cindy's fantastic body was encased in a very brief bikini, which didn't cover much. She was about 32 years-old and had a very nice figure with perfectly shaped breasts. I dove in and swam for a few minutes. When I got out, she moved over to one side of the towel and motioned for me to lie down. I wondered where Chuck was, but it didn't prevent me from joining her.

Cindy offered to rub suntan lotion on me so that I wouldn't get sunburned. By the time she got to my stomach, my cock was hard. I've got about

26283

seven inches—quite thick, too—and with the tight swimsuit I had on, it stood out like a sore thumb.

Cindy pretended not to notice my hard-on and continued to rub on the lotion. After she finished, she smiled, and told me to take off my trunks. I couldn't believe my ears, and I didn't hesitate to do so. She then proceeded to coat my swollen cock with lotion and stroke my manhood in a tender and loving manner. She didn't stop until I came, and it felt as if I would never stop shooting my load. Cindy then leaned over and flicked her tongue over the head of my dick, then licked the creamy cum from my stomach.

After that session, every afternoon when I got home from work, I would shower and go to Cindy's room and we would fuck and suck for an hour or two. One day, a few weeks later, we had just finished our afternoon sex session and I started back to my cottage. Just about the time I reached the downstairs door, I walked back toward the bedroom

and that's when I heard voices. I was shocked—I thought I'd been found out. I couldn't believe my eyes—there was Chuck, in the nude, very busily licking Cindy's cum-filled pussy!

I stood there, unable to move. I watched him eat her out for at least 10 minutes as she came several times. He told her that he jacked off two times while watching us from his hidden place in the closet. Cindy told him how good it felt when I was fucking her and how good I tasted when she sucked me off. Chuck then said how he'd love to see me fuck her in the ass!

I tiptoed out of the house and went back to my cottage. The next day, I followed my usual routine. As I neared the pool, Cindy angled over to the ladder and climbed out. She was wearing a thin fabric that fit her like a second skin, and gave me a quick kiss.

Even though I knew Chuck would be hiding in the closet, I followed Cindy up to the bedroom and we had our usual wild encounter. Knowing that Chuck was watching, I started doing a lot of new and different things to her. I even got her to give me a rimjob! Then, for the first time, I fucked her in the ass!

And so it went each day. I really got to enjoy performing for Chuck's benefit, even though he didn't know that I knew. Finally, over a long, three-day holiday weekend, I reached a decision. I called Cindy and told her I was on my way up. She told me to wait 20 minutes, then come over. I did, making my way to her bedroom. I didn't see her, so I called her name. She came out of the bathroom totally nude, carrying a bottle of baby oil. I almost came in my pants when I saw she had totally shaved her pubes. Her hairless cunt looked so sexy, I immediately wanted to kiss and fondle her.

She handed me the oil, and I proceeded to oil her bald cunt and asscheeks. Cindy came as I pumped in and out of her slick pussy with my fingers. I then stuck my cock in her face and she treated me to a fantastic blowjob. Besides licking up and down my shaft, she also sucked my balls. When they were soaked and dripping with her saliva, she again went to town on the shaft. I couldn't take it anymore and blew an enormous wad all over her sexy face.

I asked where she wanted my cock next. She responded by coating it with baby oil, bending over, and spreading her ass cheeks with her hands. She looked at me, scooped my cum from her face, and licked it off her fingers. She then clamped her asshole tight around my cock and I couldn't hold back from blowing my wad a second time. Cindy came so hard she almost squeezed my pole off.

That's when I pulled out and walked over to the closet door. Cindy looked nervous as I pulled the doors open and told Chuck to come out. I told him that now it was my turn to watch the two of them!

They got into it, so I went to the bathroom and washed my cock. Upon returning, my dick started getting hard again. I got excited watching Chuck's rod slide in and out of Cindy's bald beaver. I walked over to the bed and placed my hardening prick between her lips. The three of us were involved in an orgy all weekend. We still are!

# NEIGHBORLY PEEP SHOW

I live in a busy housing complex which caters to yuppie singles, but there are some exceptions. My next-door neighbor is older—I'd say about 50—and lives alone. I have to say, He creeps me out. I'm 24, shapely, sexy, a brunette with nice boobies and a rockin' body. Mr. Strange—I don't know his name, so that's what I call him—never says anything. He avoids eye contact and rushes in and out of his apartment. My windows face his, and a couple of weeks ago, I caught him spying on me. It was hot, so my window was open and I could make out his silhouetted figured leering out his darkened kitchen window. I was lying on my bed with my clothes on so he didn't see anything, but it sure pissed me off.

The next day I was in the building's laundry room and started talking to another young chick, Marie, who lives on the other side of Mr.

lights out. We were sure he was watching. It was showtime!

As we drank the vino, I reached over and kissed Marie full on. My tongue dove into her mouth and we mingled our tongues together in a passionate kiss. She pulled one of my boobs out of my blouse and cupped it in her hands. Then she started to suck on the nipple till it grew firm between her teeth. We kissed some more then began to undress each other on the couch. She whispered, "I bet Dr. Strangelove is close to having a coronary. His dick must be hard and pumping between his fist." That image actually made me hotter.

I pushed Marie onto the flat of the couch and eased off her panties. I could see a big dollop of girl-goo dot the crotch area. Instinctively, I held the material in my hands and licked the wet spot, but I wanted the real deal. Parting her thighs, I began to lap away at her sweetness. Her

**"Marie climbed on top of me, so that her cunt interlocked with mine!"**

Strange. She told me the same thing. She also caught him peeping on her, right after she came out of the shower. She was going to report him to the police, but then we put our heads together. We figured we might as well have some fun and give Mr. Strange a peep show he'd never forget. Oh, I guess I should add that both Marie and I are bi have have fooled around a couple of times. She's a cutie—a petite blonde, my age, with pert little boobs, round ass, and pretty face.

We put our plan in motion that night. I made sure to leave my blinds up and the lights on. Marie came over with a bottle of wine around nine. We sat on the couch sipping the Merlot. Sure enough, we saw the weirdo's blinds lift a little, and he put his

juices flowed easily, right from her box onto my tongue. I didn't stop until she began writhing underneath my urgings. As I felt her body tense, her orgasm rocked the couch. I cooed in her ear, "I bet that was almost as good for Pop Peeps as it was for you." She giggled.

Marie knew turnabout was fair play. In a matter of seconds, her mouth was glued to my clit. She sucked my button as if it were a small cock, and she was really good. I could even feel her tongue slither over my asshole, and it sent a chill down my spine. Somehow, on the small couch, we maneuvered our bodies into a sixty-nine position. Her tongue flapped against my box, and my gums massaged her honeypot. At this point, I think we both forgot we were

being watched, because the heat of the moment was overwhelming.

At this point, we literally fell off the couch. The carpeted floor provided even better access for our lovemaking, and probably more fodder for the naughty neighbor's voyeurism. My fingers pushed open Marie's box and I used my digits as pseudo-phalluses. I fucked her good, pushing two fingers in and out, then curving them upwards to find her G-spot. I think I struck gold because she trembled, then came again, all over my hands.

Marie then climbed on top of me, so that her cunt interlocked with mine, our legs intertwined—a position worthy of the Sexual Olympics, if they existed. Clit to clit, we rubbed our pussies against each other. It actually felt better than being fucked. We ground

against each other, lathering up a storm—the friction building, our combined pussy juice acting as super-lube. A couple of more minutes of this and fists clenched. I was the first to go over the edge, pounding the floor in orgasmic ecstasy. Marie followed suit very shortly, cumming again, grunting and moaning. Too bad our neighbor couldn't hear us as well as see us.

We sat back down on the couch, kissed again, then, in a final fuck-off, the joke's-on-you moment, we smiled, waved toward the window, and blew kisses at our peeper. If he didn't die of embarrassment, at least we hoped it would be enough to cure him of his bad habit! As for the two of us, well, we've decided we should continue our "shows," just in case the neighbor is still watching!

## PRIZE CATCH

I've been a devoted reader for years, but never thought I would have anything exiting enough happen to me to write about. Well, all that changed two weeks ago!

I had gone to a small cabin in the mountains, which I bought last year, for a weekend of fishing and relaxation. Saturday morning, I awoke at sunrise and a half-hour later I was down at my favorite trout stream, casting away and waiting for the big ones to start biting. I had been slowly working my way downstream for several hours, without even a nibble at my fly, when I heard the laughter of a female voice in the distance. As I turned a bend in the river, I saw two figures splashing in the water about 50 yards downstream by the opposite bank.

They emerged from the water, and it was then I realized that they were as naked as sexy jaybirds. Embracing, they shared a deep and passionate kiss. I could feel the warm stirrings that make the beginnings of a super hard-on and I was hard as a rock in seconds. I did a double take and nearly shot my load into my waders when I saw they were both women and—even from a distance—I could tell they were both beautiful.

I knew I had to meet these two foxes, so I crossed the stream and

slowly began snaking through the underbrush toward them. About 10 minutes later, I parted some branches. One of the girls was lying on a beach blanket, moaning in ecstasy, as she slowly masturbated her clitoris with one hand, thrusting several fingers of the other in and out of her sopping pussy. I thought I had died and gone to heaven, as she was one of the prettiest women I had ever seen, about 5'7," with long blonde hair almost to her waist. Her breasts were perfect half-melons that reached higher and higher as she neared her climax and her breathing became coarse gasps.

I quickly, but silently, dropped my waders, pulled my engorged cock from my pants, and started jerking off. I had been pulling on it for a couple of minutes, when a female hand reached from behind and took my cock from my hand. "Let me help you with that," a soft voice said, and I realized it had to be the other girl. She stood behind me and stroked me in perfect rhythm with the blonde masturbating on the blanket. It seemed that our breathing had become one—as the blonde arched her back and screamed in pleasure, I shot my load in one of the most intense orgasms of my life! My knees buckled, and I leaned on a tree for sup-

port. Then the girl behind me said, "Let's join her." I didn't need any more of an invitation.

I led the way onto the clearing by the riverbank. The blonde on the blanket was still sliding her fingers slowly in and out of her slippery snatch as we approached. She opened her eyes with a start, but smiled a second later as she realized I was with her companion. Without saying a word, she indicated that I should come closer. As soon as I was close enough, she took my now flaccid tool into her mouth and started sucking me to a

beautiful face. I was shook out of my stupor when I heard the first girl cry, "Fuck me! Fuck me! I want your big cock inside me now!" I readily complied. Lifting her by her beautiful ass, I slipped my hard, throbbing member into her dripping cunt. "Faster, faster, I'm cumming, I'm cumming," she repeated, as I thrust into her harder and deeper.

At the same time, she began lapping her friend's twat. The friend responded by leaning forward and kissing me deeply on

new erection. The girl behind me started massaging my back and shoulders, then stripped me out of my jeans.

In a few seconds, I was standing stark naked, receiving perhaps the greatest blowjob of my life. I grabbed the blonde by her head and started thrusting harder and deeper into her throat. I soon felt the girl behind me kissing my back as she worked her way lower toward my buttocks. I could feel her hot, wet tongue circling my asshole—then she started thrusting it up my anus. Her tongue was soon joined by one of her fingers. I had never before felt the sensations I was now feeling, and in a couple of seconds, I was beyond the point of no return! With a few short gasps and a low moan, I shot my second load of the day into the beautiful mouth of the blonde.

She languidly started to lick my jism from the corners of her mouth and her fingers. She spread her legs and said, "Now it's your turn, lover." In a split second, I was eating her love box and sucking on her clit. She was soon thrusting her snatch harder and harder into my face, moaning softly, rolling her head from side to side. Within seconds, she was also moaning and groaning with sheer pleasure from the oral onslaught.

I realized that I had yet to take a good look at the other girl. I glanced up to see another gorgeous blonde. She had the same waist-length hair, perfect tits, and a

the mouth, our tongues entwined in absolute passion and ecstasy. My thrusting became even wilder, and I knew I didn't have much time left, when I again heard a muffled voice saying, "I want you to cum up my asshole." I withdrew my rod from her box and—lifting her beautiful ass a little higher—I slid into her tight chute. Between the sweat and pussy juice, I had enough lubrication to glide past her sphincter, into the depth of her bowels.

The other blonde leaned forward and went down on her buddy, nibbling on her clit, licking her labia. She moved her tongue even lower and started licking my cock as it came out of the asshole. Reaching under, she caressed my balls. Within seconds, we were three screaming maniacs as my final thrust sent my sperm flying up the first blonde's rectum. Then, both girls and I reached a simultaneous, three-way orgasm, the likes of which was incomprehensible. We collapsed into a pile of spent passion and exhaustion before dozing off. Upon awakening, we were at it again!

Needless to say, this was the wildest afternoon of my life. Somehow I found the strength to keep both girls satisfied. Unfortunately, I had to return home the next day. I plan to go fishing again next weekend. I'm just hoping that lightning can strike twice!

## STUDENT TEACHER

I'm 19 and a sophomore in college. I'm popular, good-looking and a smart guy—the whole nine. All the chicks at my school dig me, but I'm not really into girls my age.

Unfortunately, it didn't seem easy to find older women into younger guys where I live in South Carolina. Maybe they're scared of the stigma attached to being "cradle-robbers," or they're not adventurous enough to try something different. But a couple of weeks ago, the situation thankfully changed.

I became good friends with Freddy, a guy in my Chemistry class and we started hanging out a lot together. One Friday, Freddy invited me to his house to listen to some new tunes and

grab a bite, so we went straight to his house after our last class. He had a nice home and when we got there, he took me into the kitchen for a snack. As I was chomping down on a chocolate chip cookie, I heard footsteps. I glanced up to see a glorious figure standing in front of me. A sweet voice chirped, "Hi, I'm Terry, Freddy's mother. Welcome. Make yourself at home."

Wow. Terry was breathtaking. She was about 40, with a knockout figure, big tits, long, dark hair, sparkling green eyes, and a fuck-me mouth. This woman was the MILF of all MILFs!

I was so smitten the rest of the evening with Terry that I guess I was very distant with

Freddy. Every time his mom stuck her head into his room to see if we needed anything, I popped a boner. I was so scared that Freddy or his mother would see, or, worse yet—I'd cum in my pants and leave a big wet spot. If that happened, I already decided that I would make an excuse that I wasn't feeling well and leave early. I couldn't stop thinking of Terry that whole weekend. I beat-off countless times fantasizing about what it would be like to fuck her. Freddy had told me that she and his father were recently divorced and that the split-up was very hard on her.

On Monday afternoon, when Freddy had a political science class, I knew I had to take a shot. I drove over to his house, gathered up my guts—and with my heart almost leaping through

my throat—rang his doorbell. Terry was home, and I could tell she was surprised to see me standing there. "Jake, I'm sorry, but Freddy's in class," she said. For a moment I couldn't answer because my eyes were glued to her striking figure seductively dressed in a short dress, her big boobs almost popping out of a tight top. But, I cleared my head, made believe I thought that Freddy was home, and answered, "Oh, then would it be okay if I came in and waited for him?"

Terry smiled and waved me inside. She told me to have a seat, left for a minute, then returned with a glass of lemonade. That's when I went for broke. I told her: "Freddy says your divorce has been very tough on you. You must be so lonely. Is there anything I can

do to help?" Looking sad, she shook her head no. I moved closer, told her how much I dug older women, and inched my lips toward hers. For a fleeting second, she drew back, saying, "No, even though I find you very attractive, it wouldn't be right. You're my son's friend. But I am so alone—and horny."

Those were the magic words. I swooped in again, and this time she didn't pull away. I French kissed her and we locked in a passionate kiss for several minutes. Terry knew what she wanted because she then began to take control. As our tongues were entangled, she started to unbutton my shirt. Running her hands over my chest, she plied my nipples with her fingers and began kissing them, at the same time unzipping my pants and pulling out my boner, which was

throbbing—and bulging.

Her tongue trailed down to my huge hard-on and I watched with wide eyes as she eased it into her mouth—inch by inch. Making gurgling sounds, she swirled her tongue around my length, then sucked it inside her warm mouth, using her saliva to coat it so she could inhale it easier. Younger girls just didn't know what to do, not like this hot older woman.

Terry had my cock straining against the back of her throat, but before I could cum, she released it. "I want your hard dick inside of me now!" She yelped. By now we were both totally naked, and she still controlled the action. On her couch, looking me square in the eyes, she hovered over me then lowered her wet, shaved, silky-smooth pussy onto my boner. She used her hand to inch my cock into her cunt, then when she was comfortable, pushed down so that my entire eight inches were imbedded inside of her.

She pumped her box up and down, in charge of the pace and depth of the action. First slow, then faster—she jumped, twisted, and squirmed all around. I watched as her big, beautiful tits bounced up and down and she fucked me unlike I had ever been fucked before. This woman knew what she was doing and we were both thankful for that. As I felt her juices seep from her pussy and down my cock, my breathing intensified. Terry also began to breathe harder, then got that un-mistaken look of lust in her eyes. She bounced harder and faster on my cock, and my semen surged forth, shooting into her in rapid bursts. She clenched her fists, moaned, then finally screamed, "Yes, yes!" and shook passionately and collapsed on top of me. Now, that was a grown-up orgasm, not the silly ones young, inexperienced girls have!

Ever since, I've been sneaking over to her house when Freddy's not around. She's teaching me lots of cool stuff, such as how to properly eat a woman's pussy. Terry claims I'm an excellent student. I feel kind of weird around Freddy, but his mom's too good a thing to give up. Sorry, dude, but you shouldn't have a mother who's so smokin'!

## GOING UP

I have the incredible good fortune to be living with an angel. Corinne has shoulder-length hair the color of an auburn sunset, deep green eyes, and a body to make a man cry with desire. I'm the envy of all my friends, as Corinne is strictly a one-man woman—and I'm it!

We met while working at the same company. We make a game out of getting together in the office. Nobody there knows we live together, so we pretend not to know each other when we meet in the office. Corinne will walk right past me in the hall when she's with someone else. If the hall is empty, though, we grab a quick kiss and grope. It's especially exciting because of

patterned black nylons and satin garter belt under the demure skirt. I also knew that her panties were home in a drawer, gathering dust.

The blouse was deliberately loose to conceal the lines of the lacy, low-cut bra underneath that exposed her beautiful breasts to her puffy aureoles.

To everybody else, she was the picture of modesty in her smart outfit. Then, seeing me, she "accidentally" dropped a pencil as she was standing and talking to a lower-level executive. Swiftly—before anyone else could do it for her—she bent to pick it up. Corinne had placed herself so that I was the only person directly in front of her. The blouse billowed away from her chest so that her swelling

marathon fuck session in bed at night. When lunch was over, I went back to my work, but my heart wasn't in it. All I could think of was the sight of those spectacular tits of hers swinging free under her blouse.

During the coffee break, I decided to go down to the cafeteria a bit early to help get my mind off fucking that tease of mine. I left my desk, walked down the hall into the lobby, and saw her again. There were several other people waiting for the elevator, so she never looked at me, just thrust her long hair over her shoulder, and the motion made her breast tops ripple like gelatin under the thin material.

The elevator came and we all got on together. Corinne managed to stand directly in front of me. The elevator wasn't crowded, but she was able to get close enough so that her beautiful, soft ass brushed my erection through our clothes. She swayed a bit with her random movements of the elevator, rubbing back and forth across my cock, testing my endurance to the limit.

Suddenly, the light went out and the elevator stopped with a sudden jerk. The other people in the car began talking excitedly and someone had the presence of mind to open the emergency phone compartment and call for help.

As everybody else talked, Corinne acted. With no warning at all, she was all over me the instant the lights went out. I was so surprised at first that I didn't even react, but when she grabbed my hand and pulled it to her tits as her tongue darted between my lips, I woke up fast.

"There we were, in a populated elevator—fucking like rabbits!"

the danger of being caught. Corinne could lose her job, since she's considered my "superior." You wouldn't believe the blue-nosed management around here.

Last week I ran into Corinne as I returned to my desk. She was gorgeous in a dark blue skirt that swirled prettily around her long legs. Below the skirt were fashionable boots with just enough heel to give her hips a delightful roll and bounce. Her blouse was a loose peasant style with a modest scoop neckline that displayed not a trace of cleavage. Corinne had already been reprimanded for dressing too provocatively around the office, but, I knew about the

breast tops were visible down to her lovely aureoles, beckoning darkly from over white lace. She fumbled deliberately with the pencil, and a fat nipple popped free of the bra.

When she stood, her face was flushed and I had a glorious hard-on. She walked away slowly with the executive and her hips rotated gracefully with each step. I had to clench my teeth to keep myself from running after her and screwing her right there on the office floor.

I had lunch alone and watched the clock. Quitting time had never seemed so far away. One thing was certain—we were going to have a

I sucked her agile tongue deeply into my mouth as my hand closed over her heaving melons. I felt soft flesh and stiff lace under the blouse and squeezed gently until I felt a sudden sharp swelling against my palm. Corinne gasped as I tickled her liberated nipple and her hips slammed against me, driving us into the corner.

I felt Corinne's hand at my fly. She pulled it down slowly as I slid my hand over her neckline and onto burning breast flesh. She jerked blindly and her tongue went wild in my mouth as I touched her sensitive nipple. She pulled my throbbing cock out—and plunged it deeply into her naked, spasming pussy.

She had pulled her skirt up with her free hand. I almost cried out at the unexpected sensation. She drove her hips against me and I could hear the mewling noise she always makes in bed begin. I drove my tongue halfway down her throat to stifle the sound and we began fucking in earnest.

It was incredible. There we were, in a populated elevator—fucking like rabbits. If the lights had come on in that instant, I couldn't have stopped. Then Corinne went rigid, quivering and whimpering softly. I stroked deeply one more time and felt my cum course upward from deep in my body, spreading through every limb, finally erupting into Corinne's pussy like a bolt of fire. I inhaled her tongue, sucking and caressing it as she spasmed with ecstasy, pushing her tits against me, her nipple still between my fingers.

As soon as my prick was spent, she climbed off my dripping tool, and I could hardly hear her skirt rustle back into place as she left a lingering kiss on my lips. I closed my fly with shaking fingers, just seconds before the lights came back on and the elevator began moving again. As if nothing had happened, Corinne got off a floor before I did.

The next time I saw her was that night at home. She greeted me at the door in five-inch red patent heels, black nylons, and a garter belt. She then dragged me inside. We crumpled to the living room floor and never made it to the bedroom. We were too excited reliving the days' events!

# PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

## SHE'LL BE SHAKIN' ON THIS!

Some people say sex goes stale after a time with one partner, but that's not the way it is with my occasional fuck-buddy, Brick and I, because we're always trying new things to make the bedroom into a regular erotic playground! So, when I received my Orgasmic Foreplay Kit #1 from Cal Exotics, I knew we had some good fun in store for us. The 2-speed stimulator and probe are made of soft PVC, and come with a power pack. There's an arousal bullet that can be used all on its own, or with the soft probe. You just pop in the six AA batteries that come with the power pack and your girl is good to go!

As I was laying on the bed with the stimulator deep in my pussy, the little rabbit-shaped head trembling against my clit, and with the probe up my backdoor—Brick was stroking his dick like crazy to keep up with me. I let him hold the power pack to control the pace, and he really knew when to speed it up or slow it down. Of course, I only let myself cum two or three times, so I'd have some energy left for Brick and his cock. The whole scene was hot, especially when he showered me with loose dollar bills afterward just like I had performed in an old school Times Square sex show! Go to [www.calexotics.com](http://www.calexotics.com) and find this in the "Kits for Lovers" section, and soon your favorite female can put on a show for you, too!

## NYMPH ASSISTANCE!

You know, writing this column gets me very horny, even sitting here in the office surrounded by people (although I am in a cubicle). However, as they say: "The mind is the most powerful sexual organ," and quite frankly, sometimes my body can't keep up with my mind! It's like when you go to a great restaurant and have a compulsion to order more food than your stomach can hold, just because the menu makes everything sound so good. So, if my eyes are sometimes bigger than my stomach, sometimes my brain is hornier than my pussy—and to help my pussy catch up with my brain and its needs for more and more orgasms, I think I'm going to try Jesse's Nymph Stimulation Gel. It says on the label that it's porn star, Jesse Jane's, own formula—a moisturizing gel which is an edible cinnamon flavor and contains American and Amazon ginseng. I think this might just be the ticket for those nights when my brain says "yes," "more," "harder," "deeper,"—and my pussy needs a little assistance to keep up. As it also says on the label: "For Those of Us Who Just Can't Get Enough!" That describes me, and if it describes someone you know, go to [www.calexotics.com](http://www.calexotics.com) and look for it under "Oils & Potions & Lubes." Well, as always, guys and girls, I hope you find your Naughty Ivy's suggestions helpful—and you have a Playtime to remember!

## NAUGHTY NURSE ANIME!

Now, just as Brick likes me to give him a show, sometimes I want a show in turn. And that's why I got my guy a Sakura Inflatable Lover with Lifelike Pussy, so that I could watch him actually penetrate and spurt inside one of the cutest mini-love dolls in creation! If you know how mad sexy those adult-themed anime characters can be, then you can imagine what Brick looked like as he put his dick into this inflatable companion made of durable PVC that has a beautiful digital image of a naughty anime nurse! Hey, Brick has a thing for nurses. Wait—don't all men?? (I even masturbate myself sometimes to the fantasy of a nurse taking my temperature!) Anyway, Brick was able to get off on the nurse—either with the stretchy pocket pussy made of comfy TPR material, which accommodates up to eight inches of manly gristle—or just by humping himself against the 15-inch long inflatable sweetie! And yes, I tipped him a few dollars for his performance, too! So, go to [www.calexotics.com](http://www.calexotics.com) and look for this in the New Products section. ♣

A red leather corset and black knee high boots! Could things get any hotter? You bet they can, as you fall under the hypnotic spell of Lauryn unlacing her bustier. She knows you can't pull your eyes away from her revealing those luscious, tan tits of hers. She stretches out her tongue in a teasing attempt to lick her own nipples and then grabs one between her fingertips and gives it a naughty tug. She turns to reveal and ass that needs to be caressed, kissed and then plundered. But not before giving you a glimpse then a nice long look at the prettiest pussy this side of Aberdeen. ♡
